

Research Databases

- ❑ Maag subscribes to over 100 databases, some are subject-specific and some are multi-discipline
- ❑ Generally, research databases search hundreds or even thousands of journals
- ❑ Databases contain information that usually cannot be found on the Web for free
- ❑ Use your name, YSU ID# & Password/PIN to authenticate to OhioLINK databases off campus
- ❑ Use YSU username & password to authenticate to YSU proxy databases when off campus (Ref USA)
